Kolecki Photography

Creating images you will cherish a lifetime!

Commonly Asked Questions

Q.) Who will be taking the photos at our wedding?

A.) I (Joseph Kolecki) will be taking the photos of your wedding unless I am sick or injured. In the event that I am sick or injured, one of my back up photographers will take my place.

Q.) Are you are a member of any associations specific to the industry?

A.) I belong to Wedding Wire, The Knot, the Cleveland Photographic Society, and Professional Photographers of America.

Q.) What styles do you specialize in? Do you do any creative shoots?

A.) I use many different styles of photography including photojournalism, traditional, and portrait. In my opinion, every photograph taken is an opportunity to produce an awe inspiring image/photograph.

Q.) What type of camera will you use?

A.) I currently use a series of Nikon d300's with a variety of lenses, off camera flash and reflectors.

Q.) Do you use an assistant? Is there an extra charge for this?

A.) Normally I do not bring an assistant. If you would like an additional photographer at your wedding, this may be arranged for an additional \$500.

Q.) Will there be backup equipment available?

A.) Yes, I always carry more than one camera with me.

Q.) Can family and friends take photos while you are taking photos?

A.) Yes, as long as they understand I get the first shots.

Q.) Have you worked at our event locations before?

A.) I have worked at many locations in Cleveland and surrounding cities. With over 300 weddings photographed, chances are I have worked at your venue before.

Q.) Should our event last longer than scheduled, will you stay? Extra charge?

A.) There are no time limits. I will be there for you for your entire wedding day.

Q.) How many photos do you take?

A.) My normal range is between 400-600 photos. It really depends on your day and how long I am there for. I do not guarantee any certain number of photos.

Q.) What types of photos will be taken (b/w, color, etc..)?

A.) All photos are taken in color. All color editing, enhancement or black and white is done using photo editing software.

Q.) Will you accept of list from me, for specific photos to be taken?

A.) Of course, I encourage it.

Q.) How will you come dressed?

A.) I normally dress business casual in dark colors to make myself less noticeable while shooting.

Q.) How long after the event will the proofs be ready?

A.) I normally have your images on line within two weeks after your wedding day.

Q.) How much assistance will you provide in planning our album?

A.) If you decide to purchase an album, I will work with you either in person or through other means of communication to create the perfect album for you.

Q.) Will you give us the negatives or what is the charge?

A.) All high res images are given to you on DVD. This is included with your wedding day photography.
